EDUCATION

Degree/Grade	Institution	Score
B.Tech ,Mechanical Engineering	Andhra Enginnering College	81.25% [2021]
Inter mediate / Higher Secondary Education	Priyadarshini Junior Collge (Atmakur)	95.6% [2017]
Secondary (High School)	Govtment High School (Atmakur)	9.2 CGPA[2015]

EXPERIENCE

Optimization of Four stroke Engine Block in to convert six Stroke Engine:

It is a six stroke engine and extra two strokes done by exhaust gases out at fourth stroke, it gives for steam generation in which water tank was attached to engine block. Due this extra 2strokes ,we can increase thermal efficiency with limited use of fuel.

- I was worked at Universal Engineers company in Chennai to pay fee for college .
- I was worked in building construction and restaurants as fulltime.

SKILLS

- Communication Skills,
- Critical Thinking Skills
- Leadership Skills
- Basic M.S Office
- Typing Speed[30-35] WPM 98% Accuracy

AWARD

Topper of Branch Award
